

Canadian Culture: Research Project

Culture is defined as *the social behavior and norms found in human societies, as well as the knowledge, beliefs, arts, laws, customs, capabilities, and habits of the individuals in these groups.*

For this assignment, you will choose an aspect of **Canadian Culture (People, Places, Language, Food, Traditions, Holiday, Religion, etc..)** and then research, write a short research paper, and then present your topic to the class on **Monday, November 9th.**

Your research information will be focused around these simple questions:

“Why is it important to Canadians and people living in Canada?”

or

“How is/are _(cultural aspect)_ in Canada different from / similar to _(cultural aspect)_ in my home country?”

- The **written research** portion of your project need to be a minimum of 5 paragraphs, (1 *introductory, 3 body paragraphs, and 1 concluding paragraph*) and the **first draft is due on Monday, November 2nd, 2020**
- The **good copy of your written research paper** is due **Thursday, November 5th, 2020.**
- Your **presentation** can be done as: a poster, a slideshow, or a pre-recorded video. We will present our research projects to the class on **Monday, November 9th, 2020.**
