Division 10 Class Update!

Hello Parents and Guardians of Division 10 Students.

We are putting a cap on the end of our third incredible week together, and we are getting prepared to head into our first full month together as a class. With October being right around the corner, we have a number of items on our class menu coming up over the subsequent weeks and months, and I am looking for some parental support for some of the activities we are planning.

- 1) I am on the lookout for a **Class Parent**, to help coordinate parent volunteers for class functions, field trips and excursions. *If you are interested, please email me at: jmain@sd35.bc.ca and fire me a short blurb about yourself, and why you would be interested.*
- 2) We will be having a class Halloween Party later in the month, and I will be looking for a couple of parent volunteers to help out on Party day with our Ghosts, Ghouls and Monsters.
- 3) Starting in November, our class and Division 8 (Mrs. Gore's / Ms. Choi's Grade 4 / 5 class) will be taking part in the Skating Program being offered through the Langley Sportsplex. **Our lesson times are on Wednesday afternoons starting November 8th, and will run for 6 consecutive weeks between 1 - 2pm. The cost is only \$28 per student, but does not include skate or helmet rentals.** We will require parent drivers for the program to be successful, as taking a school bus is not a cost effective option. I will be sending out volunteer driver forms, and Permission Forms next week.

Finally, if you have not already, please be sure to check out our Division 10 class website at: **mrmainsclassroom.weebly.com** as it will be our class' primary means of communication, and a fantastic way for students, parents, and guardians to keep up to date with what happens on a daily basis in our class.

Reminder: Friday, September 30th is a Curriculum Implementation day, and there is no school. I hope you enjoy the day off, and the weekend with your children!
