Who Am I ?

BASEBALL

Ever since I was 6 years I played baseball. I was a pitcher and I played first base. I played on a really fun team, and had lots of friends on my team that I know now and that are in my class i played baseball till I was 8 years old I had a fun time playing baseball with all my friends.

SCOOTERING

#my little
pony

- I loved to scooter when I was a little younger. I still kind of scooter a little bit not that much. I have a havoc scooter they are a really good brand I have a pink and blue one it kind of looks like cotton candy I like the colours. I can do some tricks like a half tail whip but not a full one I like to scooter I normally scooter in the summer when it's hot

BASKETBALL

- When I was about 8 years old I played basketball with a lot of my friends that I played with on my baseball team one time was defense for Ryder it was fun to do that my dad always played basketball when he was younger and he was also my coach for basketball my dad would always have the equipment for basketball so I would practice for the games with the cones and the other stuff that came with the bag

SOCCER

also played soccer for a while when I was about 4 to 5 years old soccer runs through my family my dad was a goalie his number was number 1 and my mom played soccer too she was number 00 and I was number 1 too that was my favourite sports number to pick, only at the moment my sister plays soccer but I was really good at I played with lots of my friends from my class I got a lot of goals it was a good sport to play I had fun playing all these sports especially this one.
