Dear Parents and Guardians of Division 8 Students,

I am attaching a media release form for our trip to Science World later this month. The organizers of the Great BC ShakeOut and Science World, have asked our permission to take photos and videos of our students taking part in the event planned for the 19th. Our district media release forms do not apply to outside agencies, so we would require your permission if you would like your child's photo or video taken. The organizers at Science World and the ShakeOut Earthquake preparedness program have asked for our help, and seeing as they provided all the funding for us to take part in this field trip, and I wanted to see if our parent community were comfortable and willing to allow them to visually document the event.

You are NOT required to consent, and our funding is NOT contingent of having media the media release form signed, however I wanted to offer you each the opportunity to opt in if you wanted.

If you would like to give permission, then please sign and return the form as soon as possible, but no later than Wednesday, October 11th.

Only those students who have permission, will be allowed to have their photos taken or be recorded at the event.

If you have any questions, please don't hesitate to contact me at: jmain@sd35.bc.ca
