Hi, my name is Ally Angell and I am the Room Parent for your children in Mr. Main's class this year. There is a high likelihood our kids have been in class together over the years, but if not, my daughter is Anneya, and I have 3 other children gr.7, gr.3 and age 4. I am at the school every day so I look forward to meeting you and/or your kids :) Most communication will come from Mr. Main via his website (I'll keep emails to a minimum so you're not bombarded!) but there are a few things to pass along or organize throughout the year, which is when you'll hear from me :) Please email me at jkeroomparent@gmail.com with your child's name, your name and your email address and also if you would like to be included in the class email list. Thanks so much!

Ally
